26A ACTIVITIES/TASKS CARRIED OUT *

The course focused on how we can apply information and communication technology in the classroom. Many teachers are not aware of how many opportunities a digital classroom offers them. This course enabled us as teachers to learn how to use different tools from the online world in our day to day practice: Socrative, Khan Academy, Edmodo... Those are all tools that we can easily use in our classroom. What is most important, students are much more engaged in digital classrooms than in ordinary ones. Practice how to make higher level presentations by using Prezi. Gain new inspiration for applying digital technology in the classroom for teaching. Integrate with teachers from all over Europe. Get proficient in using online tools like Kahoot, Socrative, Khan Academy. Learn how to benefit from online resources for every subject, such as interactive digital quizzes. Learn how to take your classroom from the traditional to the digital age, without changing the curriculum. Learn how to use the method of blended learning.
